ACKNOWLEDGMENTS

Many people were involved in the design, field-testing and finalization of the *Saving for Change: Replication of Savings Groups in West Africa* guides. In particular, we would like to acknowledge the primary authors of these guides: Laura Fleischer Proaño, Nichola Fluehr-Lobban, Nadège Gbaguidi, Ellen Vor der Bruegge and marc bavois (Freedom from Hunger) and Vinod Parmeshwar (Oxfam America).

In addition, we acknowledge the organizations implementing *Saving for Change* in Mali who have informed the revisions to these guides: Amprode-Sahel, CAEB, G-FORCE, Graadecom, Grafe, Grat, FDS Kenieba, Jeunesse et Developpement, Stop Sahel and Le Tonus. We also acknowledge the *Saving for Change* Regional Technical team for helping to test and provide feedback in order to improve the *Saving for Change* guides.

Finally, we acknowledge the Gates Foundation for their generous support which enabled us to revise these guides.
