Improving Financial outcomes
MaTontine provides access to loans and financial services in Francophone Africa for financially excluded women using mobile phones.
No financial flexibility
No ability to respond to crises or opportunities
Poor and financially excluded

More financially prudent than men
By using basic mobile phones and digitalizing traditional savings circles — we help solve the problem.

Reducing the cost of borrowing by 75%
We are a multi-sided platform, working with a range of partners:

- NGOs
- MFIs & Banks
- Insurers
- Telcos
- Etc.
MaTontine partners strategically to deliver its services...
Value proposition across various stakeholders
Let's reimagine Microfinance
